| MEP Ratings | Optional: Rear gas display flame (10 KW) Gas charcoal ignition tool (3 KW) Rear air curtain (0.2 KW additional power) |
| Warranty | One year (<i>refer to Sales Conditions for grill warranty terms:www.phoenixovens.com</i>) |
| Design Consideration | The Vesta grill is designed with three different cooking surfaces divided into separate grilling quadrants, specially engineered for delicate meats, fish, chicken and vegetables providing the perfect score markings and optimal heat transfer. A central support can accommodate numerous spears, positioned by the operator and manually rotated these spears complete the feature grill. |
| Safety Notes | The unit must be vented in accordance with local and/or national codes |
| Construction | Unit constructed with 3mm AISI stainless steel one-piece worktop and shoulders for optimal hygiene conditions. Top cooking structure reinforced with welded profiles for longevity and rigidity, able to withstand the demands required of a commercial kitchen operation. Critical work area is ventilated using a patented design system. The large octagonal refractory lined fire pit includes ash drop with removable lower drawer designed for collection and containment of solid fuel debris. |
